Updated list attached.

I've also attached a report from a group of Lumbee Indians recommending actions for a "Culturally Relevant Assessment of the ACP." Recommendations are on pages 3-5. I just shared it with DEQ and DNCR to make sure they have seen it.

Got email below. Planned to put it together tomorrow morning.

Next step is for us to talk about Tom's request. Do you have time this am?

I'm working from home today again. I Will email Eliza in a minute. Amazingly we got like 6" of snow!

Good morning. Making sure you saw my email below.

On another item – are you waiting on me for something related to the Tom Vitaglione request?

I assume you worked from home yesterday. Great if you can let Eliza and me know when plans change so we know how best to catch you if someone is asking.

Can you please put together an updated list of all ACP contacts that you're aware of with our office (pro and con) – by Fri? Happy to discuss.
